

Tailor (m/f/d) Full-time, part-time or as temporary staff

Karlowisky, "International Fashion created in Magdeburg", stands for innovative workwear with its finger on the pulse. As a trendsetter in our industry, our production is sustainable, socially responsible and future-oriented. In our collections, functional workwear and casual streetwear merge to create a completely new and innovative look for many work areas in gastronomy, the hotel industry, medicine and care. But it is not only our products that are attractive. As a family business with more than 130 years of history, a modern and open corporate culture is very important to us. We attach great importance to a varied and autonomous working environment as well as to opportunities for professional and personal development. Team play and modern working methods are of great importance to us. As an internationally expanding company, we are always seeking new, competent employees - who go further, think further and want to go further. Join our team and start your new life in the fashion world of Karlowisky.
